

**Meet XLAB superheroes.**

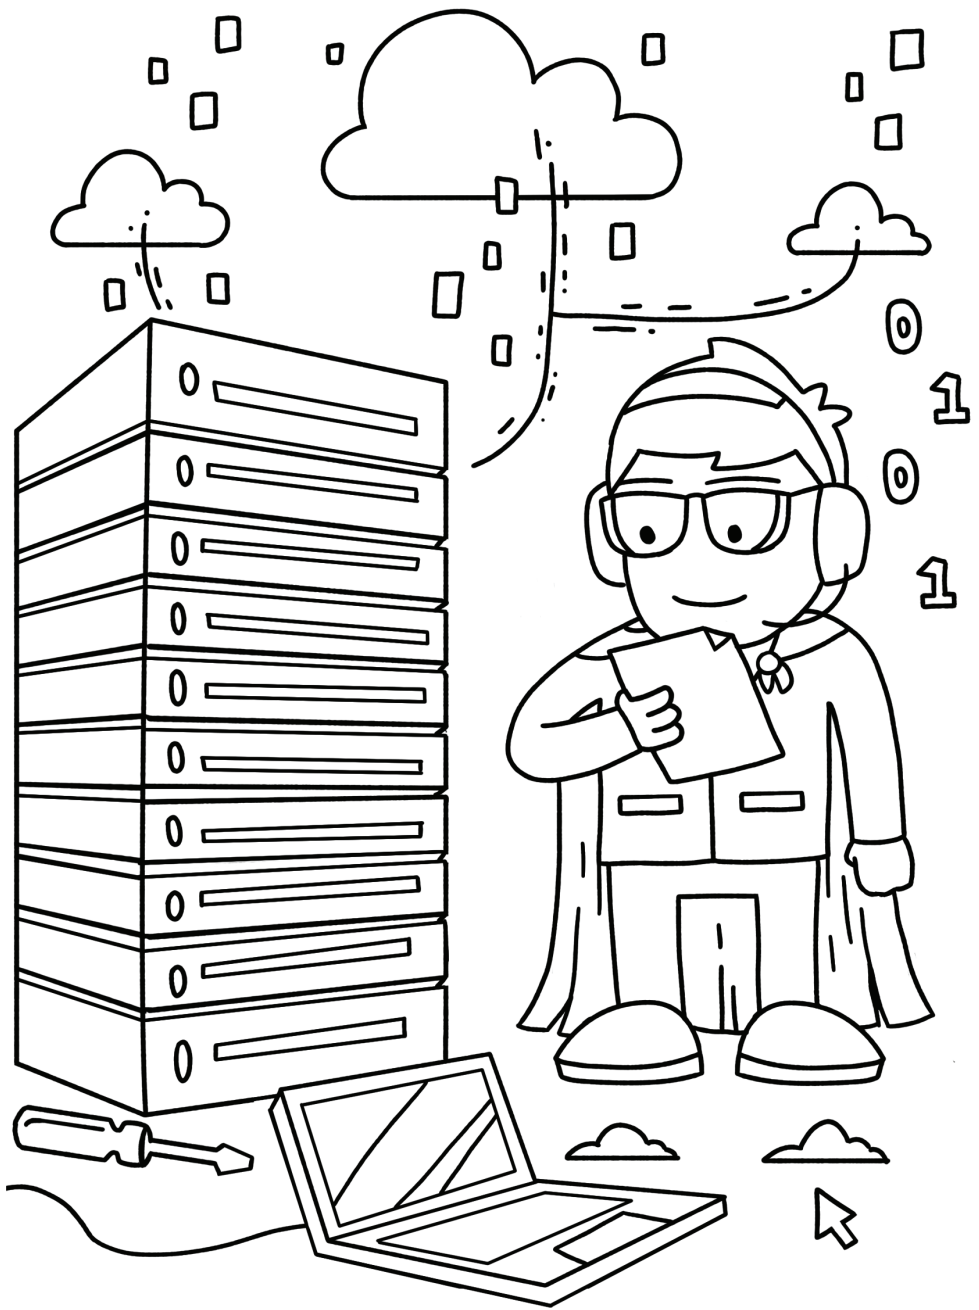

Discover their superpowers and let  
your imagination run wild.

**Let's go on an adventure!**

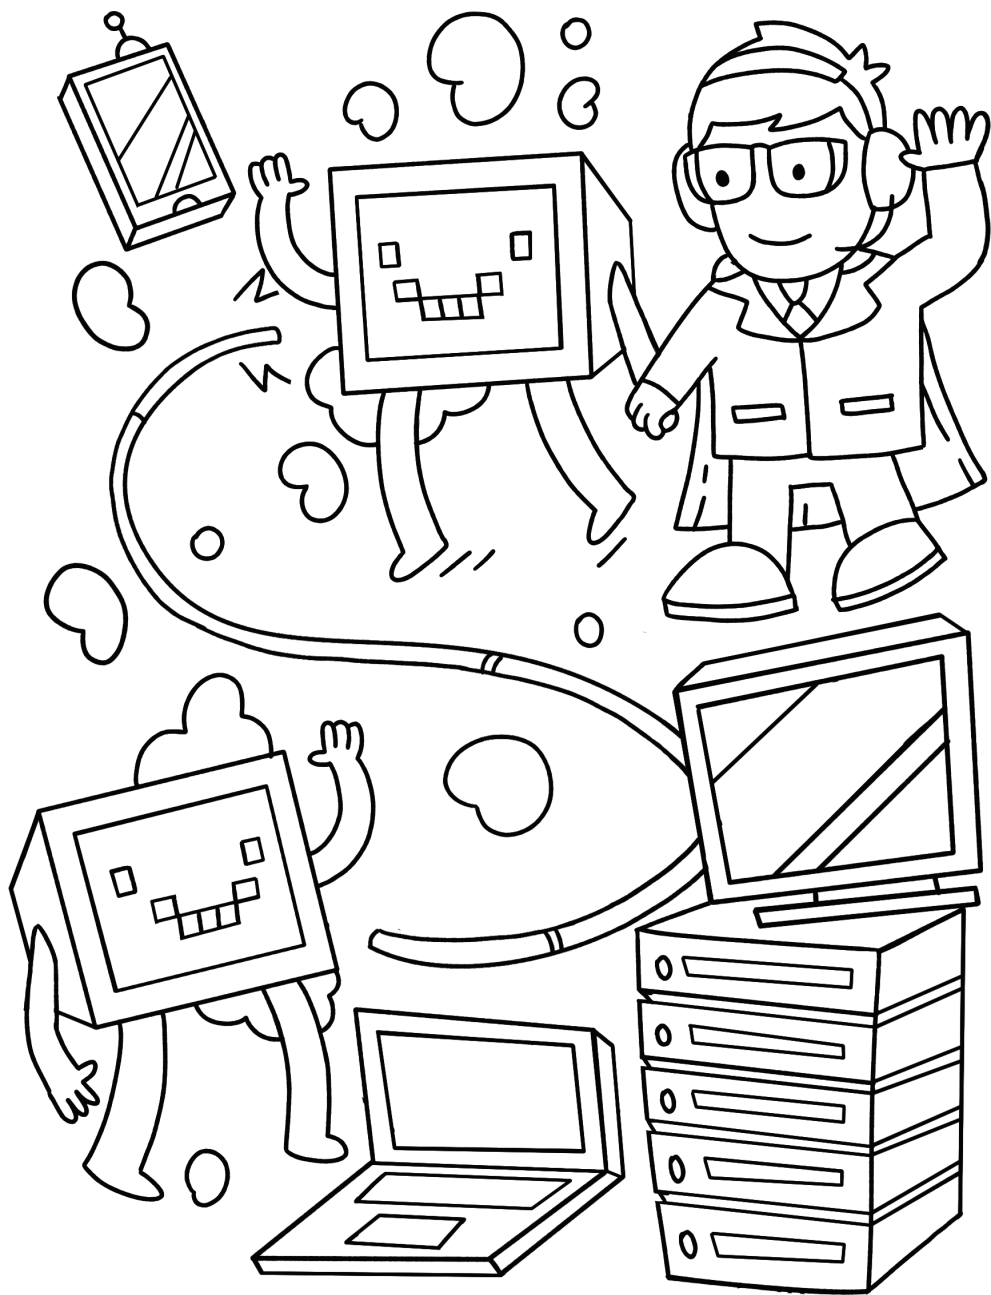

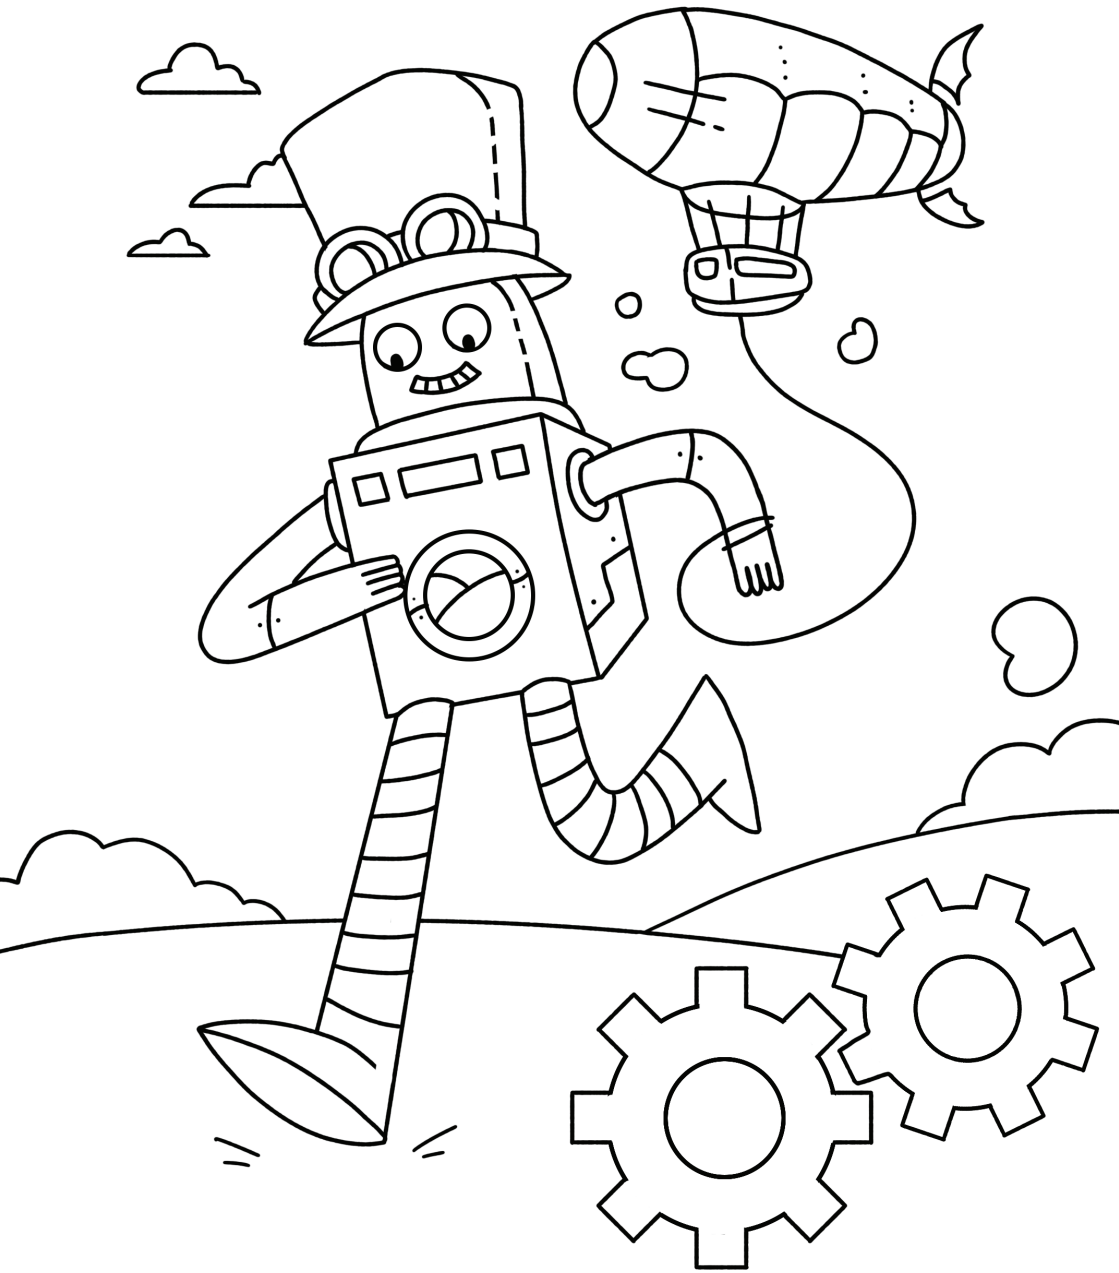

This is **Mr. Bright**. His power is coming up with great ideas and making them come true. Because it's important to be creative.

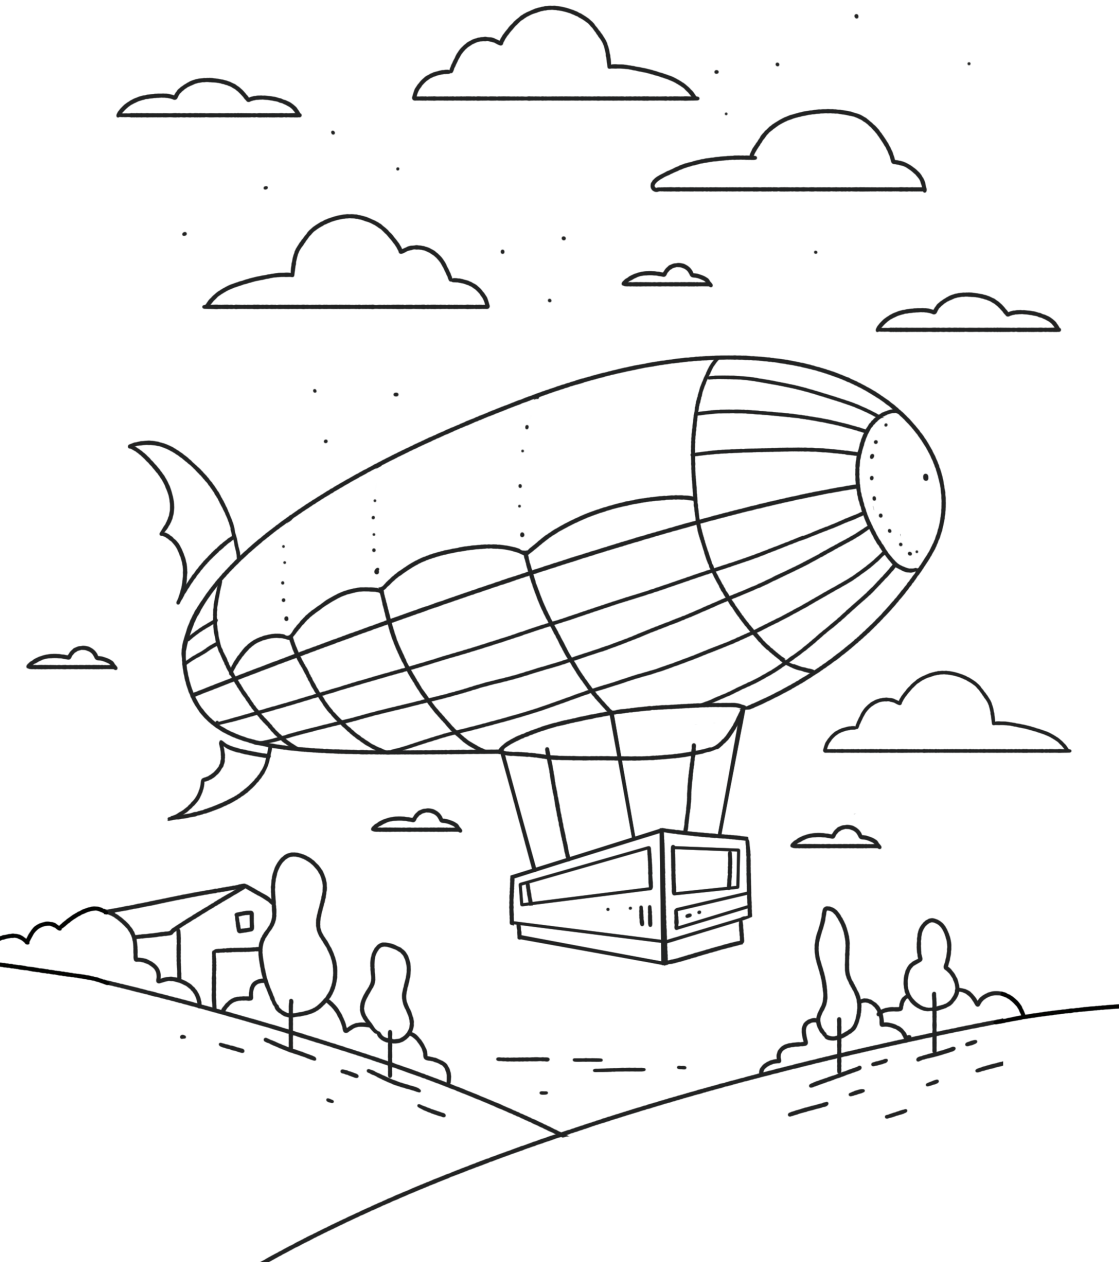

This is **Mico**. He can make computers talk to each other and help them become friends.

Because being friends with someone is the best feeling in the world and computers need friends, too! Who is your best friend?

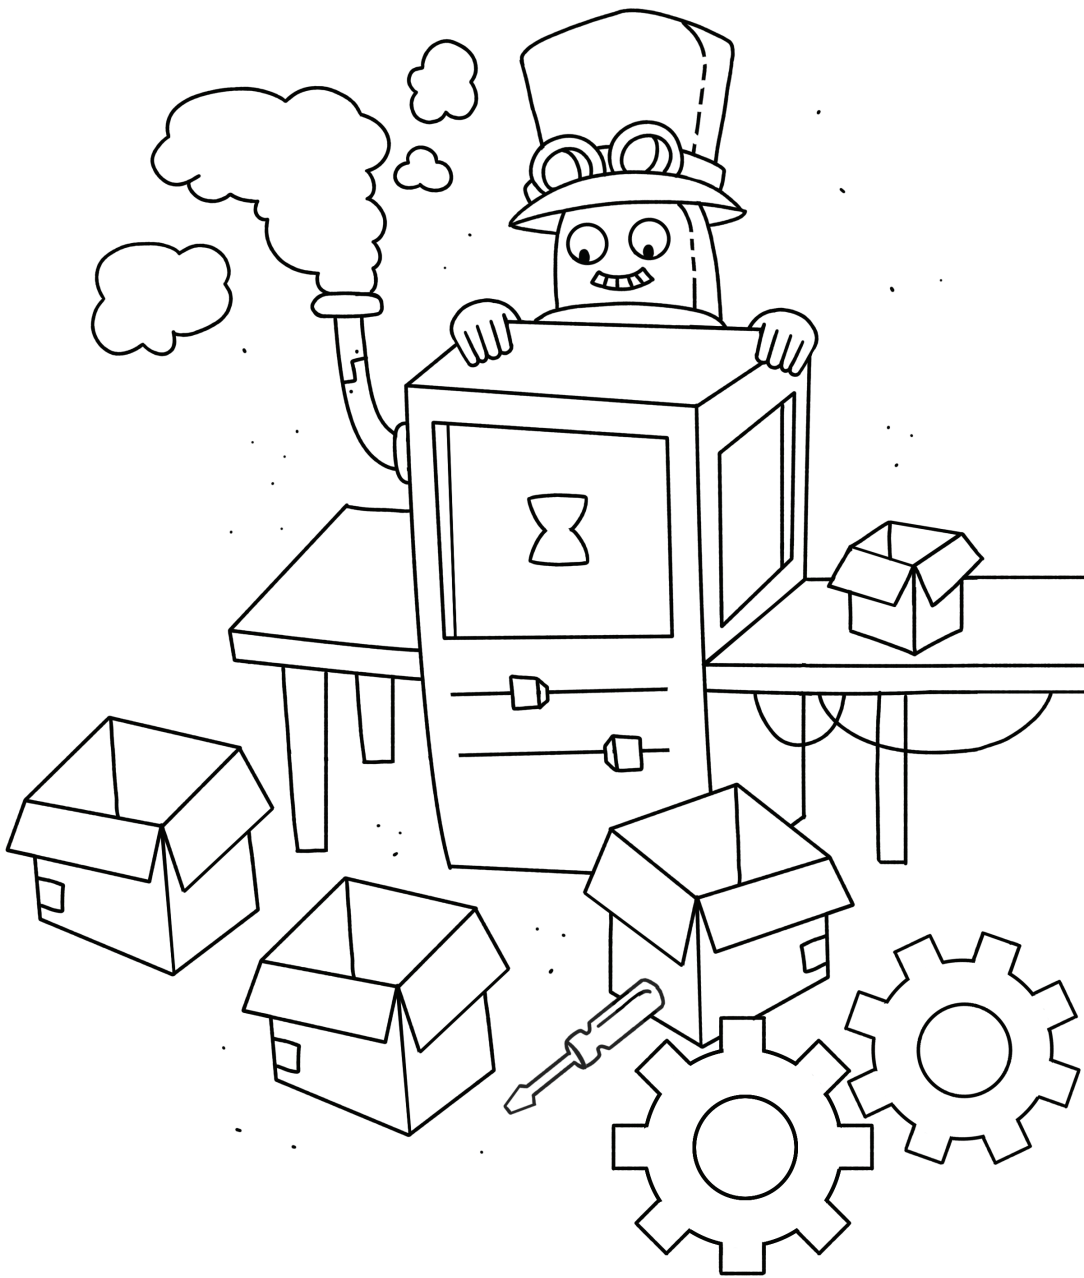

These are **robot Steamy** and his best friend, a special kite called zeppelin.

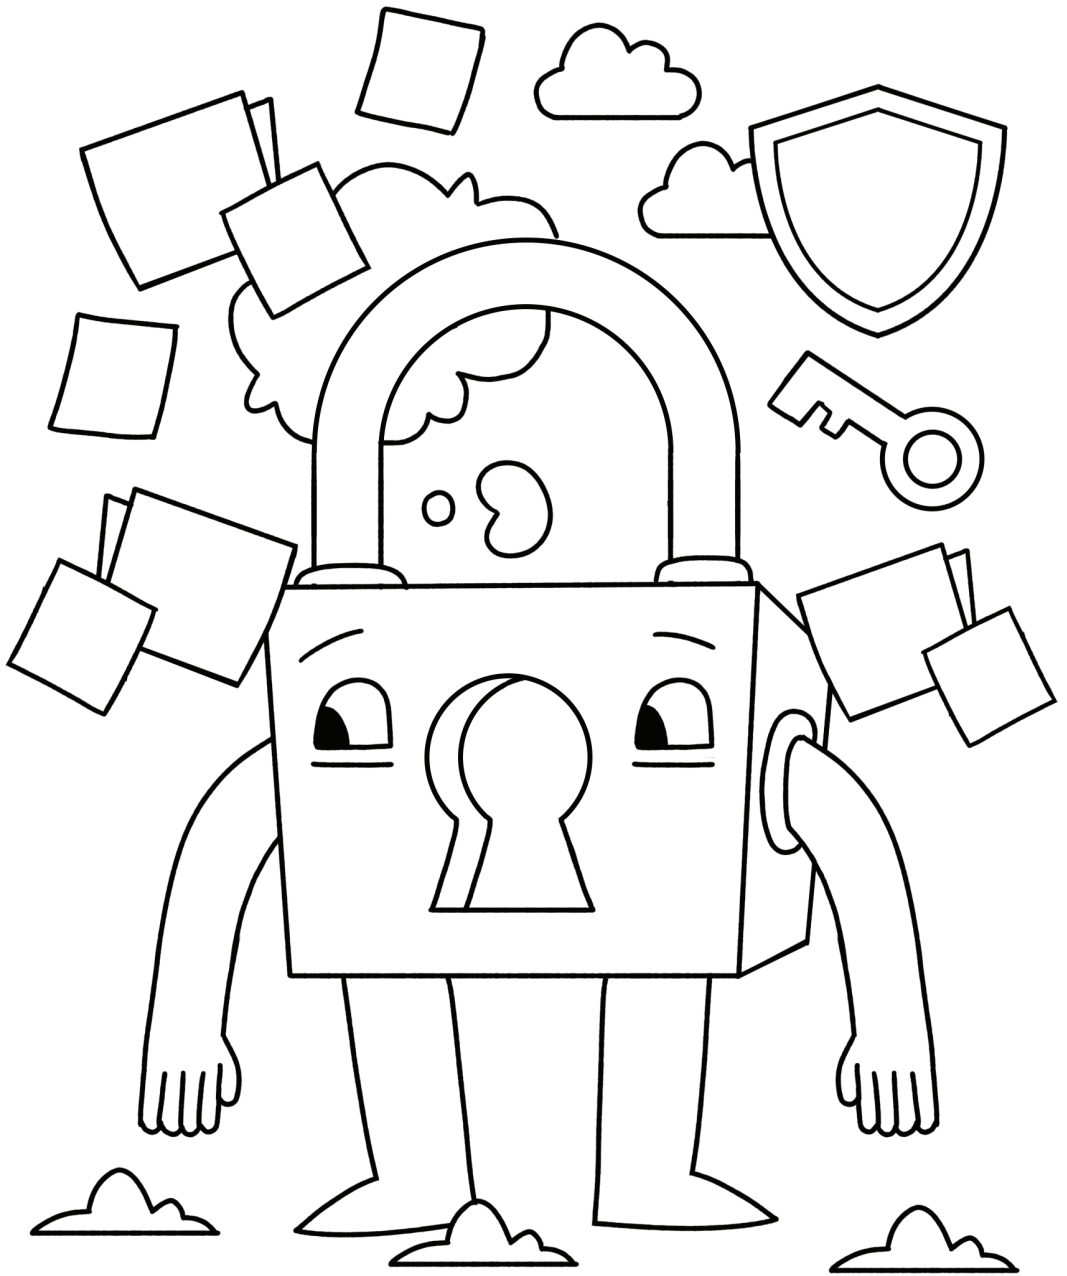

When **Mr. Zeppelin** flies among clouds, he reminds people how important it is to have dreams. What do you want to be when you grow up?

**Steamy** loves solving puzzles. His special power is taking different pieces and creating amazing new things out of them.  
Do you like puzzles?

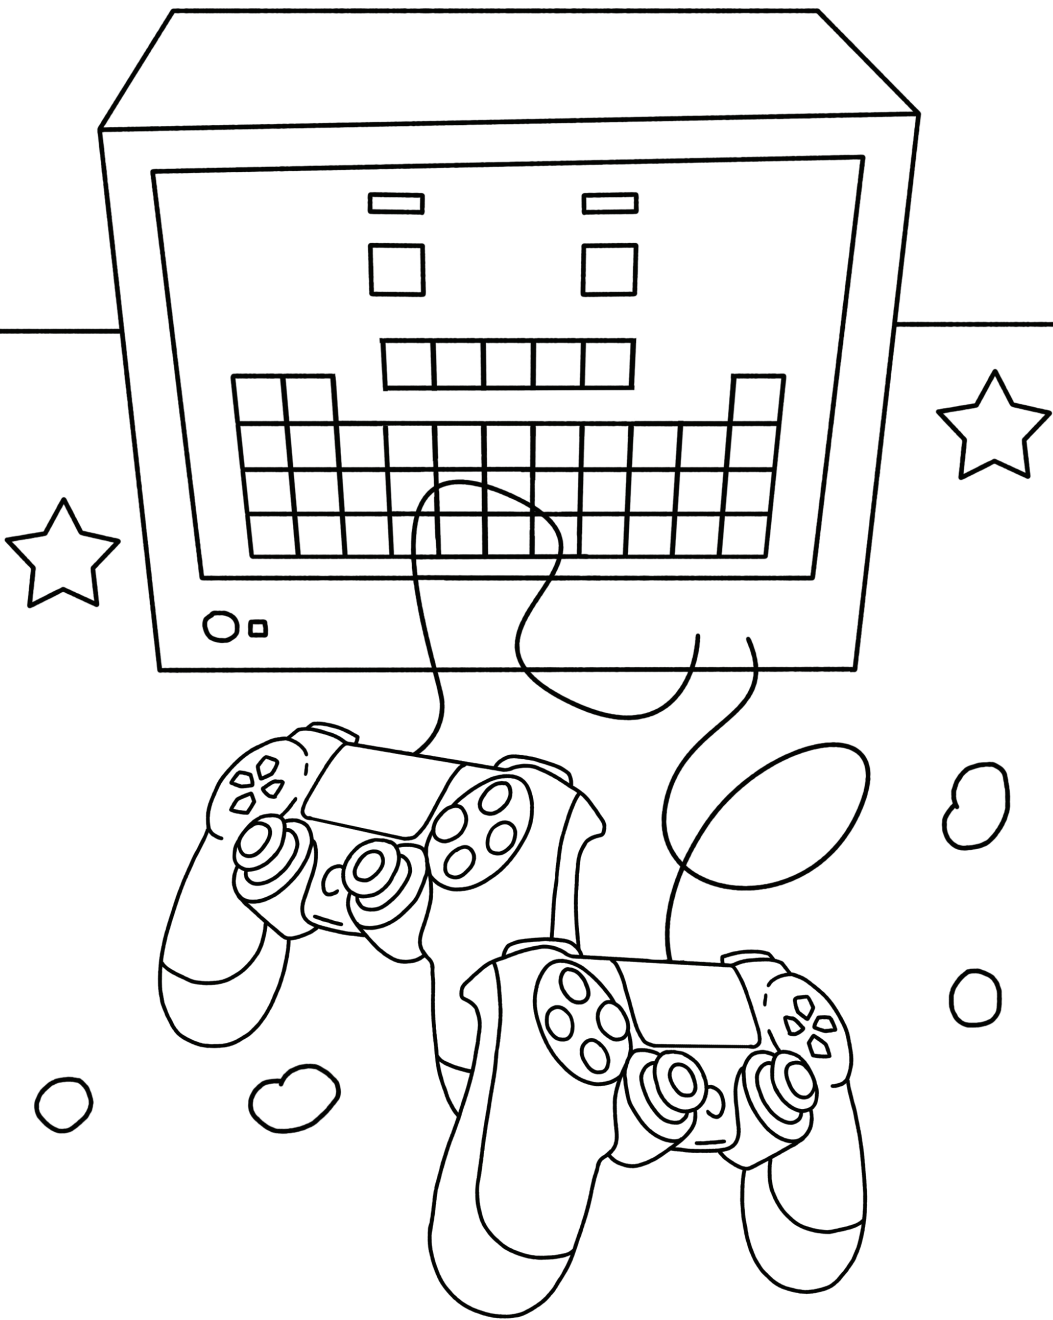

This is **Mr. Lock**. He makes sure people stay safe all the time.

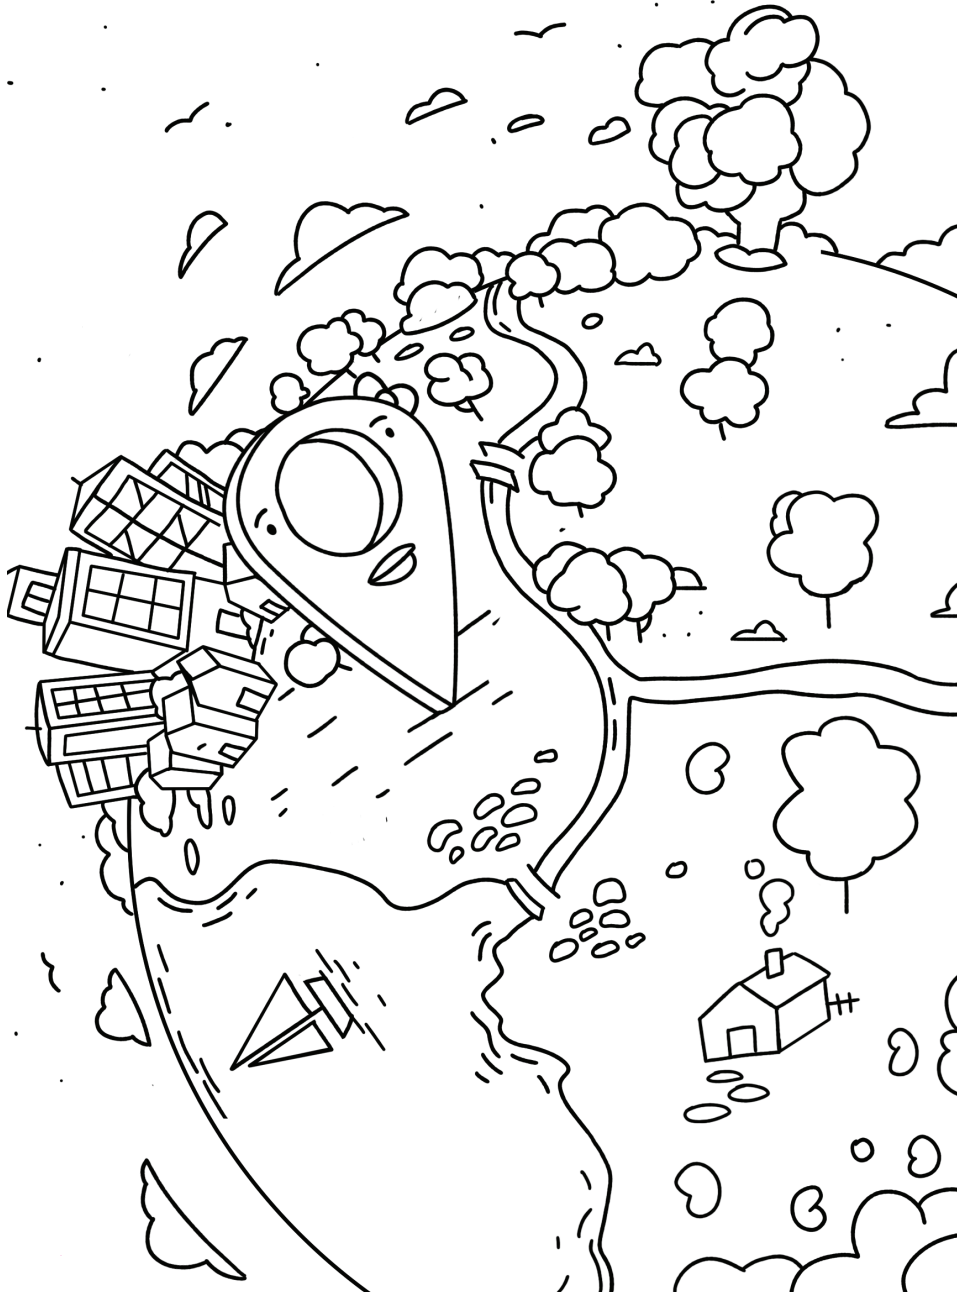

And this is **Ms. Open**. She shows people how great it is to share things. Isn't sharing things with your friends fun?

Meet **Ms. Honesty**. She guides people to respect and be sincere with each other. Because a little respect goes a long way.

**Teamy** encourages people to work together, because when we work together, everything is better. Do you like doing things with your friends?

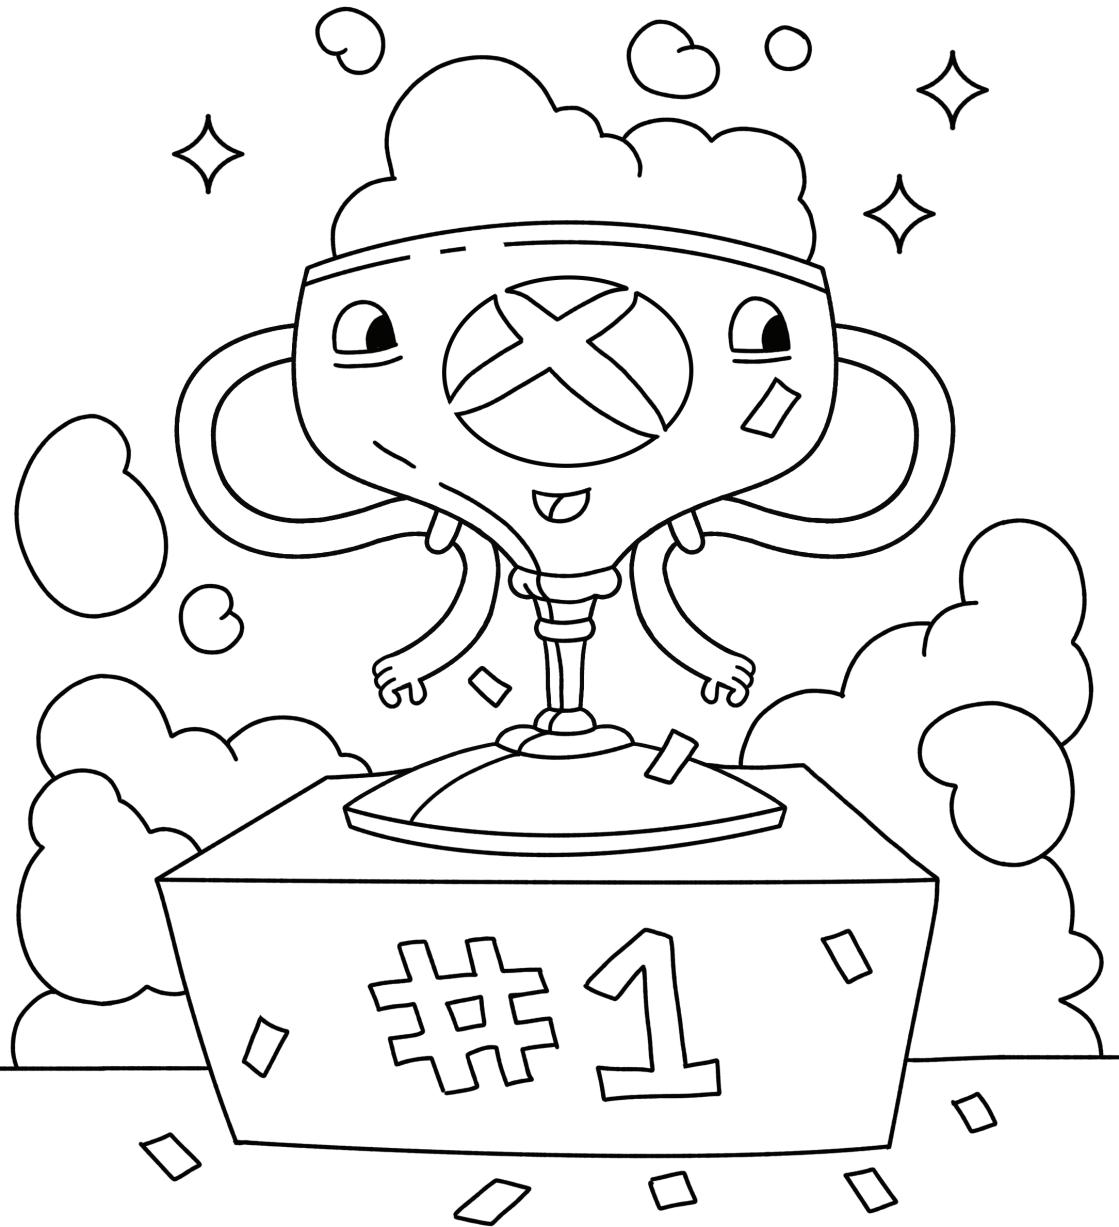

**Ms. Gaea** lets you peek at any corner of the world and see what our planet looks like from your computer.

Exploring is fun!

**Ms. Heart** encourages people to say nice things, be kind and support each other. Doesn't it feel good to be nice?

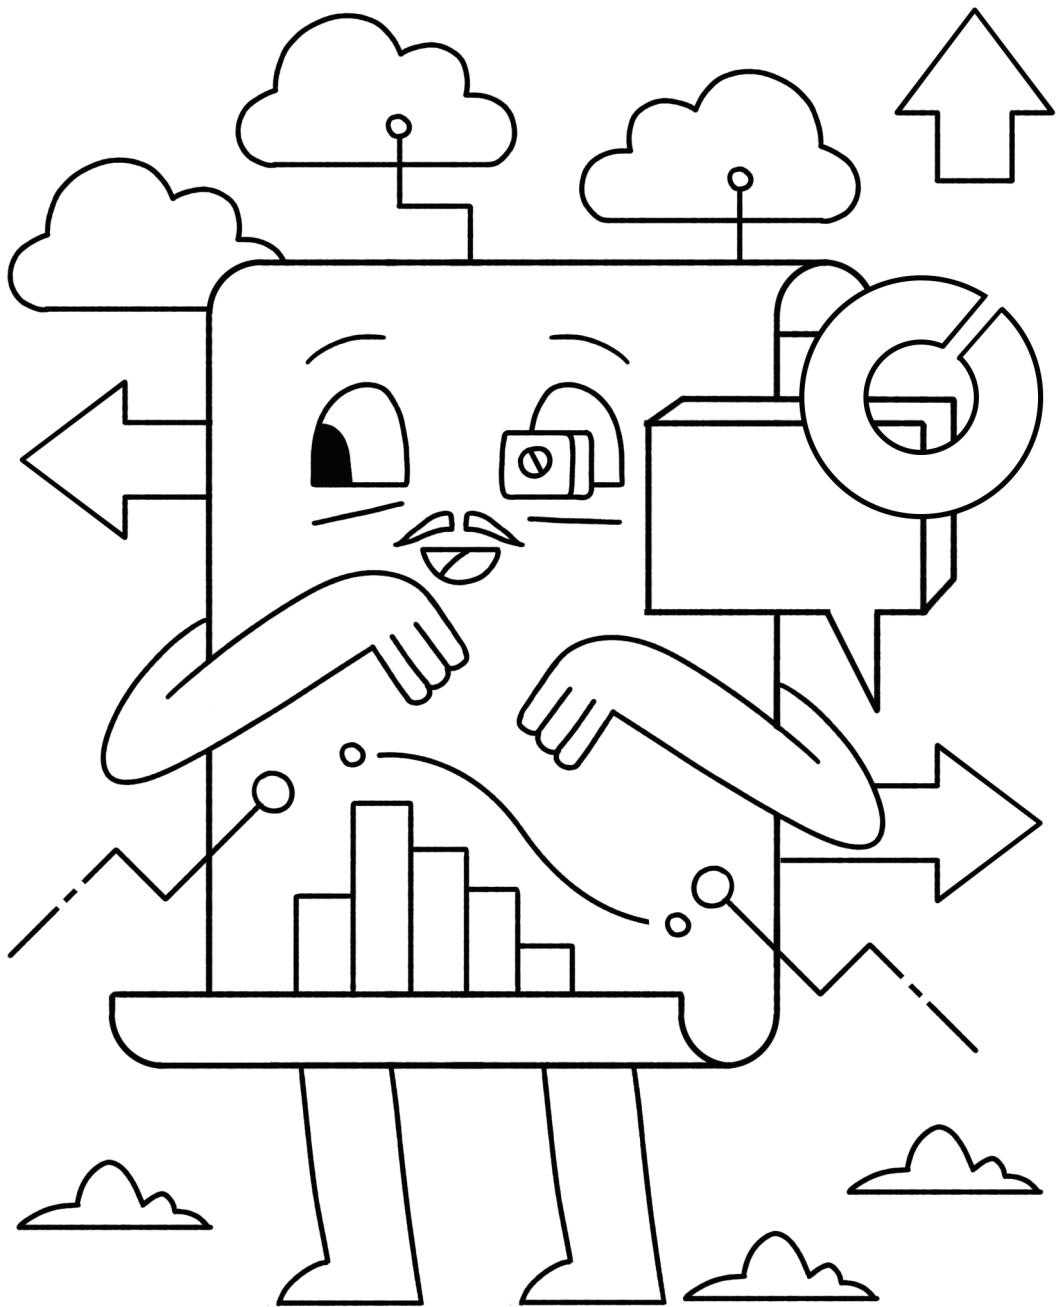

**Mr. Trophy** loves telling people what a great job they did.  
Doesn't it feel great when you try hard and someone  
tells you you did a good job?

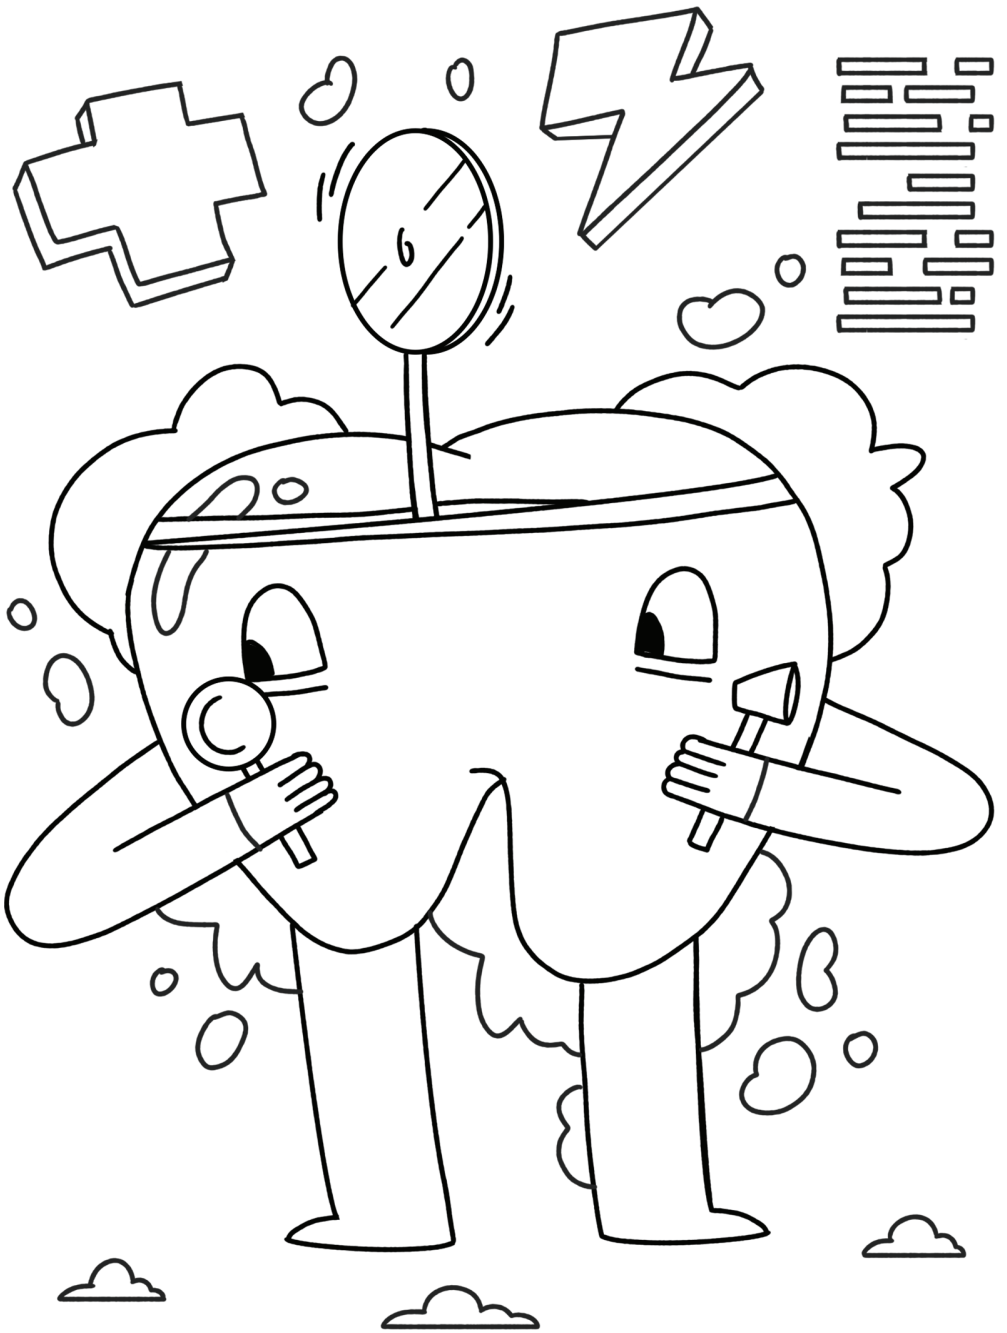

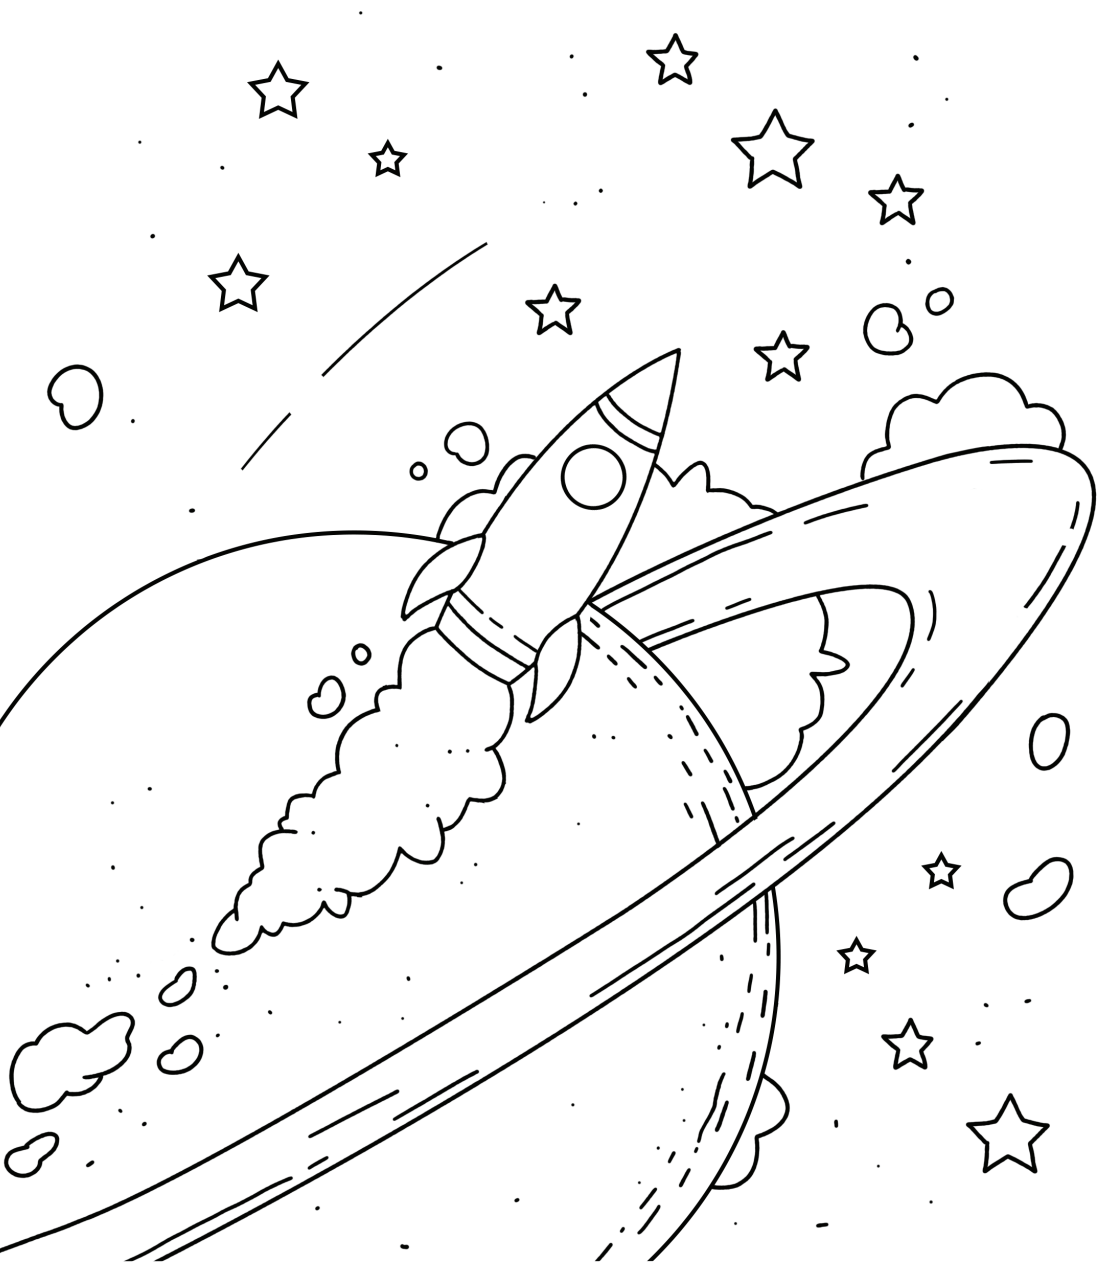

This is **Ms. Curious**. She asks questions and looks for answers. It's important to be curious and to always learn something new. Do you like learning?

**Professor Analytics** teaches computers how to find answers to important questions, so they can help people with all the knowledge they gain.

This is **Dr. Medic** and his power is a special vision. He can look into your body and teeth to make sure you stay healthy! Because health is one of the most important things in the world.

And this is **Rocky**. He helps people be brave and always try their best. What are you the best at?

So, you see, we all have special powers. What are yours?

**Draw yourself as a superhero!**
